Design support

- We adapt your existing digital files (PDF, Canva link) for print: bleed, foil layers and colour checks.
- Free digital design: a digital mock-up of one cover + one sample spread before you commit, no design fee. Printed samples quoted separately.
- Digital proof before production. Nothing prints until you approve.
- Files: print-ready PDF with bleed, or a Canva share link.

Timing & delivery

- Lead time confirmed per project with your quote.
- Express shipping and rush orders available on request, quoted per order.
- Tracked worldwide shipping.

Minimum order: calculated per project

We assess minimums per project, based on your specs and complexity, so each run covers shipping and production properly. Send us your specs and we'll come back with a minimum and an itemised quote.
